

## Accept payments and manage your restaurant business with Clover Station Solo

**A powerful, all-in-one restaurant point-of-sale (POS) device to manage your dine-in, take-out and delivery services**

Clover® Station Solo provides the power you need to process guest payments, print receipts, track sales transactions, and run Clover's software to manage your restaurant business.

### **The convenience of all-in-one**

Accept payments in-person or over-the-phone, enter and fire orders to the kitchen, print bills and receipts and access the Clover Dining software to manage your restaurant.

### **The power to run your business**

Runs on a high-performance chip and the latest operating system to give you the speed you need.

### **Security built-in**

Control access with roles and permissions, fingerprint login and two-factor authentication.

### **A powerful POS system to accept payments and run your business**

- Accept card payments with the card insert and swipe slots integrated into the screen
- Take orders over-the-phone by keying in card information in Virtual Terminal
- Print receipts with the included printer
- Manage orders, inventory, employees and other parts of your business with Clover Dashboard

## Use Clover Station Solo with other Clover devices to provide the best experience for your guests

### Clover Station Duo

With a second screen for customers, Clover Station Duo is ideal for the front of your restaurant where guests can insert, swipe or tap their card, or enter promotions and loyalty information.

### Clover Flex

The portable Clover Flex allows you to take orders, manage orders, accept payments, and print receipts for your guests at tableside or curbside.
